

Hosted Exchange

Key benefits:

- Scalable – allows your network to grow easily with a low monthly cost.
- Full Outlook functionality – when connected to our Hosted Exchange you have access to the full features of Outlook.
- Managed email – we provide full end to end support for your email from our UK based helpdesk.
- Reliability and redundancy – we monitor our Hosted Exchange platform 24/7 and all mailboxes are replicated across multiple servers to eliminate single points of failure.
- A complete solution - Anti Virus, spam filtering and backups are always included.

Hosted Exchange

We've migrated hundreds of businesses to our Hosted Exchange platform. You can be confident that we can successfully manage your email migration with zero disruption.

With Hosted Exchange you can access your email via mobile, desktop or the web. Your hosted email accounts are accessible from anywhere in the world at any time with an internet enabled device.

Hosted Exchange can bring great reductions to your IT costs. You get the best available email platform without the need to buy and maintain an expensive in-house Microsoft Exchange Server.

Our competitively priced Hosted Exchange comes fully supported by our UK based helpdesk. Please get in touch to talk through your requirements.
